

TURBO

XL700

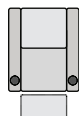

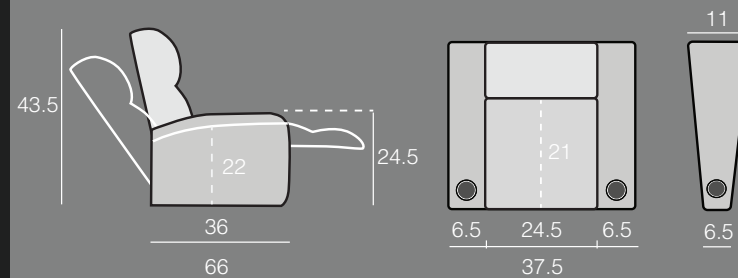

OCTANE SEATING

TURBO XL700

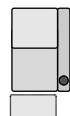

The Turbo XL700 was conceived during our relentless pursuit of perfection. It offers wellness benefits such as spine relaxation, a tall articulated headrest for neck comfort, along with the relief of muscle tension and fatigue. It is extremely plush, allowing you to rest for hours on end watching your favorite movies.

The Turbo XL700 is feature rich with arm storage along with our LED Lighting System. This provides low voltage blue ambient LED lighting, illuminating the cup holders and base rail. This model also enables you to add all of our accessories such as a swivel tray table, wine glass holder, LED flex light, iPad and tablet holder, and many more.
